FIRST ANNUAL SALE
JUNE 3, 1925

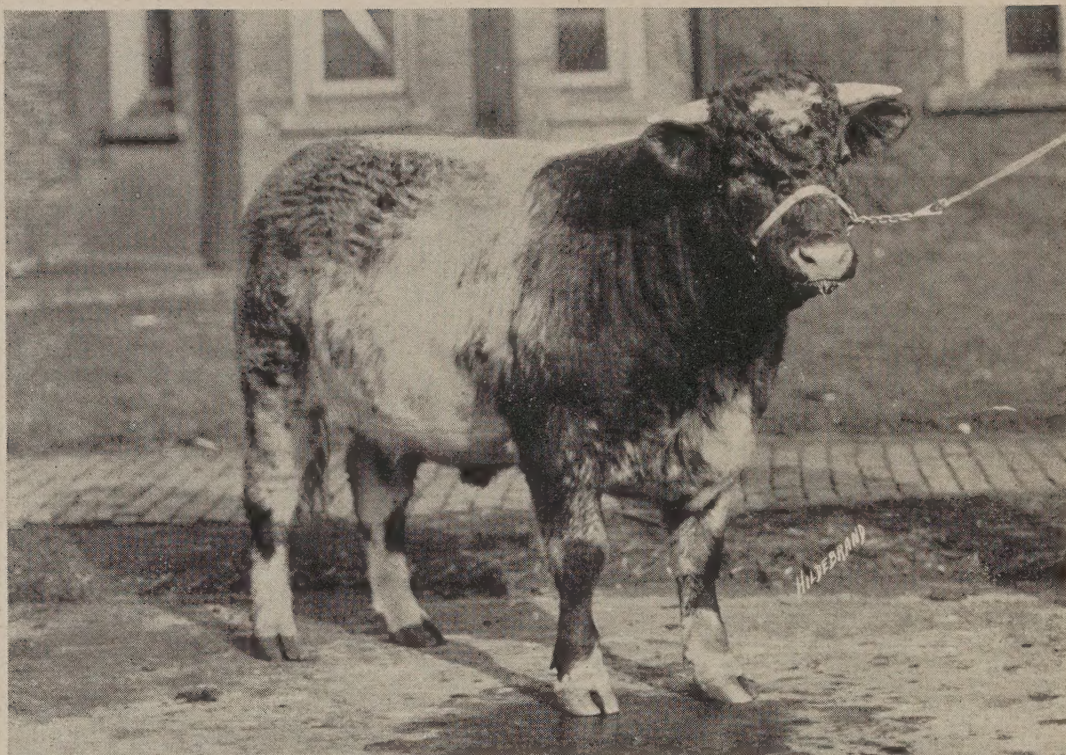

The Shorthorns
of
Baker Farms

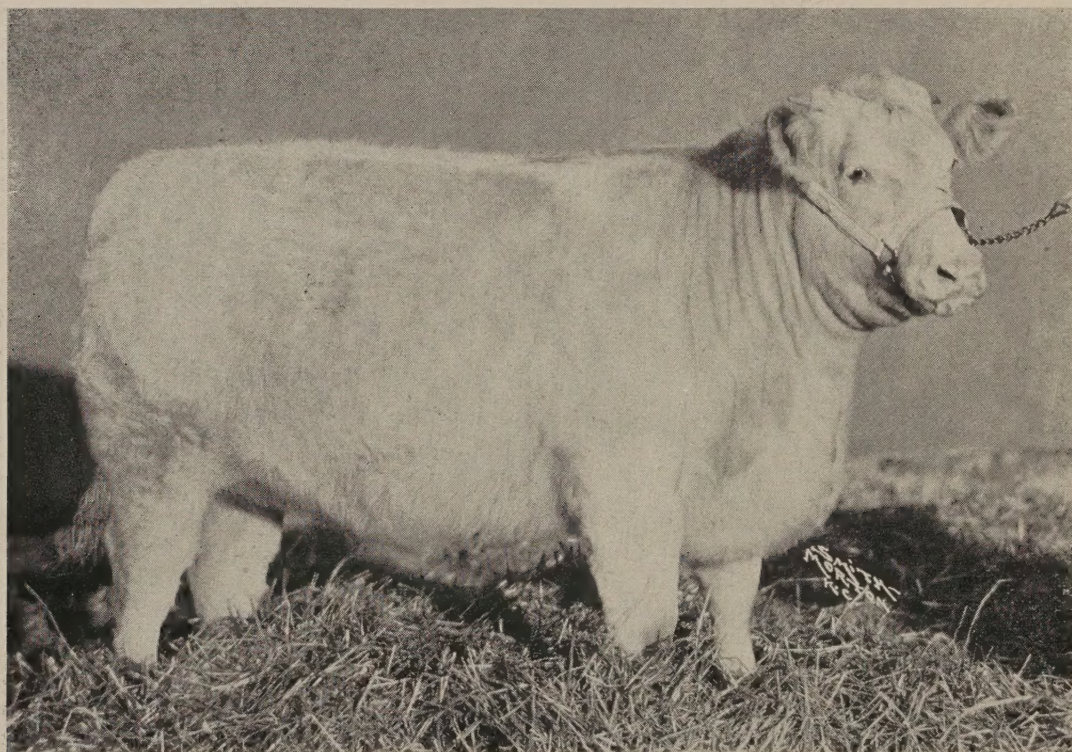

MASTERKEY

Modern Breeding--Masculine Character

MERRY COMMANDER

Sired by Supreme Commander, was the Junior Champion and Reserve Grand Champion bull at the 1922 International. He was the highest priced Shorthorn selling at auction that year.

LUSTRE LAVENDER

Sired by Supreme Commander, was the champion calf at the American Royal, 1924, and winner of the W. R. Nelson Trophy. This is the first time that a heifer was ever awarded this coveted prize.

Announcement

The Baker Shorthorn Farm was established in 1921. The first purchases consisted of top females in the series of spring sales held by Carpenter & Ross, B. F. Hales, Thos. Wilson, and James Brown. Shortly after this the entire herd assembled and developed by Fred C. Merry at Merryvale Farms was acquired and since then additional purchases have been made at the International, Congress, American Royal and Central Sales, and from Anoka Farms, Bellows Brothers, Tomson Brothers and other leading herds.

The ideal towards which we have been working is to maintain a herd of breeding females of typical beef form, breed character and most fashionable breeding without sacrificing the useful qualities—size, vigor and milk production. The herd bulls have been carefully selected to secure the best of breeding, type and quality. The calves from such matings are carefully culled and those not meeting our rigid requirements of individuality are marketed for beef. Those retained in the herd or offered for sale for breeding purposes are developed under ideal conditions such as will assure their future usefulness. We have succeeded in the short time since the herd has been established in winning many championships at state, national and international shows. Representative calves produced and developed on the farm have sold at the top of the International and the Royal sales.

The first annual sale offering will include a few individuals which have been successful in the show ring and others which promise to be found at the top of their classes this year. A large number of cows will have calves at foot and others will be bred to the herd bulls, Supreme Commander and Masterkey, which have won distinction as sires. Those who attend the sale will not find a group of cattle which are unworthy of a place in our herd but rather individuals which will fill a creditable place in the best herds in America. While we realize that Shorthorn cattle are destined for an early and rapid rise in value, it is our feeling that the individuals which are distributed through this sale will establish a reputation for Baker Farm Shorthorns which will be of as great value to us in future sales as would their retention at this time.

A cordial invitation is extended to all Shorthorn breeders to attend the sale. Those anticipating the purchase of herd bulls or choice breeding females will not be disappointed.

SUPREME COMMANDER

Supreme Commander, our chief herd sire, is a son of the International Grand Champion, Village Supreme, out of Fair Beauty, a daughter of Fair Acres Sultan, one of the best breeding sons of White Hall Sultan. Fair Beauty is recognized as the greatest bull-producing cow in America. By reason of an accident as a calf, Supreme Commander never entered the show ring, but from the very beginning he established a reputation as a most outstanding sire. Merry Commander, the Junior Champion and Reserve Grand Champion bull of the 1922 International, was selected from his first crop of calves. This calf sold at the highest price of any Shorthorn at auction that year. In 1923 the top female at the American Royal Sale—Clipper Lady, was from his second crop of calves. The champion calf at the 1924 American Royal, also winner of the W. R. Nelson Trophy, was the heifer, Lustre Lavender, selected from his third crop of calves. In these three years his calves have won 26 first prizes, 20 junior championships at the leading state and national shows, including both the bull and heifer junior championships at the Missouri State Fair three years in succession. No other bull in America has such a record.

MASTERKEY

Masterkey, our junior herd sire, is a son of Anoka Omega, the junior champion bull at the American Royal and the International in 1918 and the top bull of the Anoka sale of that year. His dam, Queen of Beauty 31st, is a daughter of Radium and one of the outstanding representatives of this family developed by Bellows Bros. She is a cow weighing 1,700 pounds of the extreme beef type and yet is the heaviest milking cow in the herd. In the show ring Masterkey has won distinction for himself with the following record:

1923—First at Kansas Free Fair, Topeka, and Ozark Stock Show; second at American Royal Live Stock Show and the International.

1924—First at Missouri State Fair, and Iowa State Fair; second at Indiana State Fair; second at Illinois State Fair; and second at American Royal Live Stock Show.

As a breeding bull his record is most promising—his first bull calf although one of the youngest in his class and without special fitting, stood fifth at the American Royal and International last year. His first heifer calf stood well up in the money in the junior class and has developed into an outstanding show prospect. A critical inspection of the calves by Masterkey will convince anyone that he is a herd sire of outstanding merit and destined to take a prominent place in Shorthorn history.
